ARTWELL DEEPWELL

Provides select partner sites with multiple ArtWell core programs for students across several grade levels. The multi-program model was developed in 2015 to provide educational partners with consistent, long-term programs for deeper impact on students.

ART OF GROWING LEADERS

Introduces students ages 10—19 to multicultural rites of passage, and enhances their creative leadership skills to help them discover their strengths and improve social action.

WE THE POETS

Strengthens students literacy and voice while engaging them in poetry writing and reading. Students discuss personal and social issues, explore their emotions and identities, and develop a deeper cultural understanding.

HEARTBEAT

Uses the power of West African and Afro-Caribbean music and traditions as a vehicle to engage youth while integrating creative writing for literacy and reflection.

ECOARTS

Uses art, poetry, and reflection to engage youth in imagining the world they want to live in and advocating for environmental justice and sustainability.
